

Norwich Gymnastics Club is delighted to announce that we are now able to offer Birthday Party hire on Sundays throughout the year. Please contact us directly to find out if your preferred date and time is available.

About us

Norwich Gymnastics Club is a purpose built Gymnastics facility that caters for hundreds of gymnasts from preschool and recreational sessions, through to its elite competition squad; all of which are working under the guidance of a team of highly motivated and experienced coaches.

The facility lends itself perfectly to children's parties and safe play thanks to its high specification equipment which includes a sunken trampoline and foam pit and impressively the most recent addition, one of the highest specification sprung floors on the market. These facilities are all overlooked by the viewing area which provides clear views of the entire performing area, and most importantly a place for children to recharge their batteries and enjoy any catering and refreshments you wish to provide.

The past year we have trialled the private party idea and we have compiled a list of Frequently Asked Questions (FAQ'S) that we feel may help you in your quest to find your perfect party venue.

Party Hire FAQs

Q: What duration can I expect the party to last?

A: We have looked at many options and we have settled on a 2 hour hire, this is structured so that children have 1hr 15mins in the gym and then they will head upstairs to the viewing area to recharge their batteries and eat their party food for 45 mins. Children will not be permitted back into the gymnastics area after this time.

Q: Do you supply food for the party?

A: Unfortunately we cannot provide catering for your party hire.

Q: What is the maximum age of the party attendees that you allow?

A: 15 Years and under.

Q: How early can access to the facility be obtained to allow for set up?

A: The facility will be opened 10 minutes prior to the scheduled start time of your party. We have found this leaves ample time for decorating the viewing area and presenting food and can take place whilst the children are in the gym.

Q: What can I expect from my party and how many people can I invite?

A: We will provide two members of qualified staff to be on hand for the period of hire. We offer a structured 45 minute session including games run by our coaches and then 30 minutes free play on the equipment. The maximum amount of children at the party will need to be 16 including the birthday boy/girl.

Q: Can parents stay and watch?

A: Parents are welcome to stay and watch from our upstairs viewing gallery, however they are not permitted inside the gym unless their child is under 3 years of age.

Q: How much will it cost to have a party at Norwich Gymnastics Club? Do you require a deposit?

A: The 2 hour hire will cost £120.00. The deposit will be £50.00 and must be paid on booking via a BACs transaction. (Please note this deposit is non-refundable).

Q: Do you have any specific rules that we must adhere to?

A: Yes there are, as you can appreciate there are a few restrictions we must place on parties whilst in our facility, to safeguard you, the equipment and its users. A Rules Document can be found on page 3 that will outline all rules that are currently in place.

Q: What is the best way to find out more information or to proceed to make a booking?
